

Delta T Technologies (WA) Pty Ltd

Terms and Conditions of Supply

1. Contract

These terms and conditions (“terms”) apply to the supply of goods or services by DELTA T to customers, unless otherwise agreed in writing. To the extent that there is any inconsistency between these terms and the content of any purchase order or other document provided by the customer (whether before or after the date of these terms), these terms prevail.

2. Supply

In consideration for payment of the price, DELTA T will supply the specified goods and/or services. Any goods to be delivered by DELTA T will be delivered to the specified delivery point on or before the specified date (unless alternative arrangements are made for delivery or collection of the goods). Risk in the goods delivered passes on delivery. Unless otherwise provided for, all freight, insurance, taxes and other costs associated with the delivery of the goods are to be paid by the customer. Unless DELTA T receives notice from the customer within 14 days that the goods are not in accordance with the agreement with DELTA T, all goods are deemed to be accepted by the customer. DELTA T is not responsible for any installation, support or other services unless otherwise agreed in writing.

3. Payment

The customer will pay the price for the supply of the goods and/or services on delivery, unless otherwise agreed in writing by DELTA T. DELTA T will be entitled to charge interest on payments not received by the due date at a rate which is not more than the overdraft rate for business customers charged by the National Australia Bank at the time of the default.

4. Retention of title

DELTA T retains ownership of any goods delivered until payment in full is made by the customer. The customer acknowledges that it is in possession of the goods as bailee for DELTA T until payment in full is made. If the customer is subject to any form of insolvency event (including, without limitation, appointment of an administrator, receiver or other person to manage the affairs of the customer, or winding up or bankruptcy of the customer, or deemed insolvency of the customer, or the customer’s inability to pay its debts as and when due) the customer will immediately deliver up the goods to DELTA T and DELTA T may enter on the premises of the customer for the purpose of taking possession of the goods.
